

## Press Release

Dar Es Salaam, 5<sup>th</sup> of March, 2014

### **Dynamic Presence of Noravia Gold Mining in the PDAC International Convention Trade Show & Investors Exchange 2014**

Noravia Gold (Tanzania) Ltd participated at the workshops of the PDAC International Convention Trade Show & Investors Exchange which took place from 2 – 5 March 2014 at Metro Toronto Convention Center, Toronto Canada. Noravia's Board of Directors had the chance to meet and discuss extensively with the top companies worldwide in the sector of Mineral Industry at the frames and preparations of Noravia Gold Mining Project in Njombe, Tanzania.

Noravia's European Director Mr. John Varvaresos stated: *'PDAC International Convention Trade Show & Investors Exchange was a great opportunity for us to cooperate and formulate strategic partnerships with the leading companies worldwide in the field of Mineral Industry in order to achieve our goals'*.

#### **About PDAC International Convention Trade Show & Investors Exchange**

The Trade Show is a great opportunity for organizations and governments promoting the latest technology, products, services and mining jurisdictions to come face-to-face with company decision makers and promote awareness to a worldwide market.

#### **About Noravia Gold (Tanzania) Ltd**

Noravia Gold (Tanzania) Ltd was established in Tanzania to participate in the exploration, extraction and trading of gold and other minerals on the global markets. Noravia's geologists are in Tanzania since August 2010, for drawing all the preliminary studies.

Noravia Gold (Tanzania) Ltd., has signed Prospecting License of agreement for any mineral, with respect to mineral resources Gold, with the Ministry of Energy and Minerals of Tanzania to develop gold resources of the Njombe District which is located 780 km South West from Dar Es Salaam.
